The Senate Committee on Transportation returns Washington Sanday evening, having visited, or southern tour, Atlanta, Mobile and New Or The Committee are almost unanimous in re commending an appropriation for the improved of the mon h of the Mississippi River.

It appears from a recent Parliamentary return that only countries which impose a duty on books imsocel Republic is in rather poor company in its taxe

payers would be more acceptable than chang-ing the capital or holding State conventions. We see no need of immediate action on either uestion. When we get out of debt, and our tische and who pay present asses without such inconvenience, will be time enough to incur these expenses. "Outliert Appeal.

This due journal suffered a loss from fice a few days since of two thousand dollars. It does our very heart good to see the evidences of old time prosperity. Indeed there can be little question as to its present seperiority to its former self. We are almost de-tighted to mark the progress of brother ournalists, for no profession is more deserving of success. A Bold-Batary Grabbon

In the debate on the salary bill the other day in the House of Bepresentatives, a Mr. Flanagan, of Texas, demonstrated the fac that he has a moral bide like a rhineceroe He is the most brazen specimen yet we have seen of the salary grabber.

seen of the salary grabber.

Here is a specimen of the speech:

"Mr. Flansgan, of Texas, thought \$7,500 not an excessive salary, and had remarked when the bill passed that it should save been \$10,000. Since then he had not changed his opinion. He had drawn the money. [Producing greenbacks from his pocket.] Here they are, air, This is my pay. I am guing to fight for it till the last [Laughler] I have not stolen that pay. I have endeavored to earn it. [Renewed laughter.]

Cheap Transportation. There is a deal of anxiety at Washington on this subject. Despite the straighte ical party managers declare that somethin must be done to satisfy the awful Grangers

who are so careless in their treatment of parties and politicians. It seems that Mesra, McCrary, of Iowa, and Hurlbut, of Illinois of the House Committee on Rail rouds and Canals, have devoted themselves during the recess, to the work of perfecting quarters.

The state of the s
